ARTICLE 1 - PREAMBLE

Section 1 This Collective Bargaining Agreement (hereinafter "the Agreement") is entered into between the City of Sandy, Oregon (hereinafter "the City") and the Sandy Police Association, as affiliated with the Clackamas County Peace Officers' Association, (hereinafter "the Association") and sets forth the parties Agreement with regard to wages, hours, and other conditions of employment. The purpose of this Agreement is to promote efficient operation of the Police Department, harmonious relations between the City and the Association, and the establishment of an equitable and peaceful procedure for the resolution of differences.

ARTICLE 2 - RECOGNITION

Section 1 The City recognizes the Association as the sole and exclusive bargaining agent for all regular full-time and part-time employees of the Sandy Police Department, excluding Sergeants, supervisory, confidential, temporary, casual or seasonal employees of the Police Department, with respect to wages, hours and other conditions of employment.

Section 2 If a new classification is added to the bargaining unit by the City, the Association shall be provided with the City's proposed rate of pay and a copy of the Job Description. That rate shall become effective, unless the Association files written notice of its desire to negotiate the rate within ten calendar days from the date it receives its notification of the classification. If the Association provides timely notice, but the City and Association cannot agree to a wage rate before the date the employee in the new classification is to commence work, the City may proceed with hiring at its proposed wage rate with the understanding that any subsequent agreed upon wage rate shall be retroactive to the employee's date of hire.

If a request for negotiations is filed by the Association, the parties shall begin negotiations within fifteen calendar days. If there is disagreement between the parties as to the exclusion of a new position from the bargaining unit, such issue will be subject to the procedures of the Employment Relations Board.

ARTICLE 3 - MANAGEMENT RIGHTS

Section 1 Subject to the procedures of Article 6, the Association recognizes and agrees to the following that responsibility for management of the City and direction of the various departments rests solely with the City, and the responsible department heads, that in order to fulfill this responsibility, the City shall retain the exclusive right to exercise the regular and customary functions of management, including, but not limited to directing the activities of the Police Department, determining standards and levels of service and methods of operation, including subcontracting, where employees are not denied work opportunities as a result, and the introduction of new equipment, hiring, promoting,

transferring and laying off employees, disciplining and discharging non-probationary employees for just cause, and new hire probationary employees without just cause, promulgating policies and procedures, determining work schedules, assigning work, and, on no less than two months advance written notice, modifying the payroll system and/or pay dates.

Section 2 Nothing in this Agreement shall be considered a waiver of the Associations rights to collectively bargain any changes in the status quo which are mandatorily negotiable.

ARTICLE 4 - EMPLOYEE RIGHTS

Section 1 Employees shall have the right to form, join and participate in the activities of employee organizations of their own choosing, for the purpose of representation on matters of employee relations. Employees shall also have the right to refuse to join and participate in the activities of any employee organization. No employee shall be interfered with, intimidated, restrained, coerced or discriminated against by the City or by an employee organization because of their exercise of these rights.

Section 2 The City shall provide electronic copies of this Agreement for distribution to all Association members.

ARTICLE 5 - CONTINUITY OF SERVICES

Section 1 The Associations membership will not participate in any strike against the City under any circumstances. For the purpose of this Agreement, "strike" is defined as any concerted stoppage of work, slow down, speed up, sit-down, absence from work upon any pretense that is not found in fact, or any interference which affects the normal operation of the Police Department.

Section 2 In the event of violation of this provision by the Association or members of the Association, the City may discipline or terminate any employee involved in such activity.

ARTICLE 6 - EXISTING CONDITIONS

Section 1 Standards of employment related to wages, hours, and working conditions that constitute mandatory subjects of bargaining and which are the status quo as of the date of this Agreement by reason of mutual knowledge, acceptance and repetition based on such mutual knowledge and acceptance shall be continued for the term of this Agreement, except as provided for in Section 3 below.

Section 2 Nothing in this Agreement, or in this Article, will be construed to prevent the City from initiating any program or change which is not contrary to an express provision

of this Agreement or the status quo as provided in Section 1 above.

Section 3 In the event the City desires to amend or modify or change the status quo that is a mandatory subject of bargaining or that has a mandatory impact the City will provide an Association Executive Board member with written notice of the proposed change in accordance with ORS 243.698. The Association shall have fourteen (14) calendar days from notification to demand bargaining in writing. The failure of the Association to demand bargaining within fourteen (14) days of the notice as provided above shall serve as a waiver of the Associations right to bargain. The Associations written bargaining demand shall specify the nature of the demand and identify whether the Association believes the proposed change involves a mandatory subject of bargaining or a mandatory impact of a permissive subject.

Thereafter, the parties shall bargain in good faith over said changes for a period not to exceed ninety (90) days in accordance with ORS 243.698. If after the passage of ninety (90) days the parties have not reached agreement, either party may declare an impasse and initiate interest arbitration pursuant to ORS 243.746. If the parties cannot mutually agree to an arbitrator, they will, by lot, alternately strike names from a list of seven (7) arbitrators provided by the Employment Relations Board (ERB) and the last one will be the arbitrator. The arbitrator shall conduct a hearing within thirty days of announcement of his/her selection, or at such other time as the parties mutually agree. The parties shall submit evidence in support of their last best offer pursuant to ORS 243.746. The arbitrator shall make a decision whether the Citys proposal or the Associations proposal shall be adopted pursuant to the interest arbitration criteria set forth in ORS 243.746.

ARTICLE 7 - ASSOCIATION BUSINESS

Section 1 Grievances may be investigated on working time of the Association Officer and the employee involved. Where such representatives meet with representatives of the City for the purpose of the procedural processing and resolution of grievances, they shall do so without loss of pay. The Association Representative and the employee involved, may process grievances during working time for the purpose of attendance at meetings with a grievants supervisors concerning the grievance where such discussions do not unreasonably interfere with performance of the Association Officers or the employees duties.

Section 2 Association representatives who are certified as such in writing shall be allowed access to employee work locations for the purpose of processing grievances or for contacting members of the Association. Such representatives shall not enter any work location without the consent of the Chief or his designee. Access shall be restricted so as not to interfere with the normal operations of the Police Department or with established security requirements.

Section 3 The City shall allow up to two bargaining unit members to attend contract negotiations during duty hours or through an adjusted schedule without loss of pay. The

time, date and place for bargaining sessions shall be established by mutual agreement between the parties.

Section 4 The City agrees to furnish and maintain a suitable bulletin board for use by the Association. The Association shall limit its posting of notices and bulletins to this board.

Section 5 On duty employees may attend Association meetings if they are held within the City no more often than quarterly and no longer than two hours in duration, but shall be subject to call. City facilities may be used with advance arrangements.

Section 6 For purposes of this Agreement, any notice required to be given to the Association will be deemed met by deliverance of notification to an Association Executive Board member.

ARTICLE 8 – UNION SECURITY AND CHECK-OFF

Section 1 The City and Association recognize that the Association is required to represent every employee covered by this Agreement, making each such employee a recipient of the Association's services. All employees covered under the terms of this Agreement may voluntarily join the Association as a member. The City will deduct Association dues, charges, fees and assessments, and voluntary payments in the amounts determined by the Association from the wages of employees when so authorized and directed in writing by the employee to the City using the Association's form. Any authorization for payroll deductions may be canceled by any employee upon written notice to the City and the Association as is specified in the authorization, to be effective on the first day of the following month.

Such deductions shall be made only if accrued earnings are sufficient to cover the payment of dues after all other authorized payroll deductions have been made.

Section 2 The City agrees to notify the Association of all new hires in the bargaining unit within two weeks after their date of hire, furnishing the Association with the new employees name, mailing address, telephone number and position for which they were hired.

Section 3 The Association agrees that it will indemnify and save the City harmless from all suits, actions, and claims against the City or persons acting on behalf of the City whether for damages, compensation or any combination thereof, arising out of the City's faithful compliance with the terms of this Article. In the event of any suit or proceeding brought to invalidate this Article, the Association will actively defend the suit or proceeding. In the event any determination is made by the highest court having jurisdiction that this Article is invalid, the Association shall be solely responsible for any reimbursement.

ARTICLE 9 - DISCIPLINARY ACTION

Section 1 The City reserves the right to discipline any employee, provided that no regular employee shall be disciplined without just cause. Disciplinary action may include termination, demotion, reduction in pay, suspension without pay, or written reprimand. Disciplinary action is usually progressive in nature, but may be imposed at any level if supported by just cause and based upon the seriousness of the offense and the particular circumstances of the employee.

If suspension without pay is the progressive disciplinary action chosen to be administered by the City, the City and the Association on behalf of the employee, by mutual agreement, may choose to accept a reduction in pay equivalent to the economic impact of the suspension without pay.

The reduction in pay option shall be agreed to in writing and shall set out the amount of reduction, the term of reduction and the limits of the reduction.

Section 2 General Procedures. Any employee who will be interviewed concerning an act which, if proven, could reasonably result in disciplinary action against them will be afforded the following safeguards:

If after the complainant is interviewed regarding an action or inaction of an employee, further investigation is deemed necessary, the employee and the Association shall be notified in writing of the complaint as soon as is practical. This requirement will not apply where the employee is under investigation for violation of the Controlled Substance Act, or violations which are punishable as felonies or misdemeanors under law. Also, the employee will not be notified if doing so would jeopardize either the criminal or administrative investigation.

At least twenty-four hours prior to any interview where the City may impose an economic sanction upon the employee, the employee and the Association will be informed in writing of the nature of the investigation, status of employee (witness or suspect) and allegations against the employee.

The employee shall be allowed the right to have Association representation present during the interview. The opportunity to consult with the Association representative or to have the Association representative present at the interview shall not unreasonably delay the interview (not to exceed twenty-four hours), except for minor complaints (incidents for which informal counseling or other action no greater than an oral reprimand may result), which may be handled immediately when a representative is not readily available. However, if in the course of the interview it appears as if a more serious disciplinary problem has developed, the employee will be allowed a reasonable period of time (not to exceed twenty-four hours) to obtain a representative to assist them in the interview.

With the exception of telephone interviews, interviews shall take place at Department

facilities, or elsewhere if mutually agreed, unless an emergency exists which requires the interview to be conducted elsewhere.

The employer shall make a reasonable good faith effort to conduct these interviews during the employees regularly scheduled shift, except for emergencies or where interviews can be conducted by telephone. However, where the Chief of Police is a party to any interview, the City may schedule the interview outside of the employees regular working hours as long as the appropriate overtime or callback payments are made to the employee.

- (A) The employee will be required to answer any questions involving non-criminal matters under investigation and will be afforded all rights and privileges to which they are entitled under the laws of the State of Oregon or the United States of America. The employee will also be required to answer question involving criminal matters during an internal investigation with Garrity protections.
- (B) Interviews shall be done under circumstances devoid of intimidation, abuse or coercion.
- (C) The employee shall be entitled to such reasonable intermissions as they shall request for personal necessities.
- (D) All interviews shall be limited in scope to activities, circumstances, events, conduct or acts which pertain to the incident which is the subject of the investigation. Nothing in this section shall prohibit the City from questioning the employee about information which is developed during the course of the interview or expanding the scope of the investigation, provided the employee and Association are given written notice of the expanded scope of the interview prior to subsequent interviews.
- (E) The Department will audio-record any and all employee interviews, and a copy of the complete interview of the employee, noting all recess periods, shall be furnished, upon request, to all parties. If the Association or employee audio-records the interview, a copy of the complete interview of the employee, noting all recess periods, shall be furnished, upon request, to all parties. If the interviewed employee is subsequently charged and any part of any recording is transcribed by the City, the employee or the Association shall be given a complimentary copy.
- (F) Interviews and investigations shall be concluded with no unreasonable delay.
- (G) The employee and the Association shall be advised of the results of the investigation and any future action to be taken on the incident.
- (H) The employee and the Association have the right to investigate the matter

under the Public Employees Collective Bargaining Act.

Section 3 When the investigation results in a recommendation for disciplinary action involving suspension, demotion, reduction in pay or termination:

- (A) At least seven (7) calendar days prior to a disciplinary meeting, the employee and the Association will be furnished with a copy of the entire investigation with the notice of the disciplinary meeting.
- (B) The employee and the Association shall be provided with written notice of the charges or reasons for the contemplated disciplinary action, policies potentially violated and type of disciplinary action(s) being contemplated. This notice shall also inform the employee that they have the right to a hearing to present information and evidence they would like to have considered, including information that rebuts or mitigates against the discipline contemplated, prior to any final decision.
- (C) A hearing before the Chief of Police or designee shall be scheduled upon written request of the employee or the Association within fifteen (15) calendar days after receipt by the employee of the notice. Failure to request hearing within such period shall constitute waiver of the right to hearing.
- (D) The employee shall have the right to have an Association representative and the Association attorney present at the hearing. At the hearing, the employee and/or the Association on behalf of the employee shall have the opportunity to present written and/or oral evidence which may refute and/or mitigate the reasons for the disciplinary action.
- (E) After the above-referenced hearing and the completion of any additional investigation by the City as may be deemed appropriate based on the employees response, the Chief of Police or designee shall provide the employee and the Association with a written decision. This written decision shall be provided within fifteen (15) calendar days following completion of the hearing.

Section 4 When Disciplinary Action Results. When the investigation results in a determination of sustained complaint and disciplinary action, only the findings and the disciplinary order may be placed in the employees personnel file.

Section 5 For purposes of this Agreement, "just cause" shall be defined as a cause reasonably related to the employee's ability to perform required work including, but not limited to, competence as an employee, violations of work rules, regulations or written policies, and such other factors as are commonly held by arbitrators to comprise just cause. It is recognized by the parties that each situation calling for possible disciplinary action is unique to its particular circumstances and that appropriate disciplinary action will be considered in the context of such circumstances.

Section 6 This Article shall not apply to disciplinary action involving probationary employees.

Section 7 The foregoing procedures are intended to apply only to matters involving written reprimand, suspension, reduction in pay, demotion or termination and not to matters of routine supervisory counseling or oral reprimand.

ARTICLE 10 - GRIEVANCE PROCEDURE

Section 1 This procedure shall be the exclusive means of resolving disputes arising under this Agreement. For the purpose of this Agreement, a grievance is defined as any of the following:

- (A) A claim by an employee covered by this Agreement concerning the meaning or interpretation of a specific provision or clause of this Agreement as it affects such employee
- (B) A claim by the Association concerning the interpretation or application of a specific provision or clause of this Agreement as it affects a specific member or group of members of the Association

In the event of a grievance concerning a disciplinary issue, an individual employee who does not wish the Association to pursue a grievance (under Section 1(B) above) may notify the Association in writing at any time. A grievance which is resolved by an individuals exercise of the right to not pursue a grievance shall not constitute a precedent with regard to the substance of the discipline and/or grievance in question.

Section 2 The City and the Association desire to adjust grievances informally – both supervisors and the grieving party(ies) are expected to resolve problems as they arise. If not resolved informally between the grieving party and the supervisor, the grievance shall be put in writing which shall include:

- (A) statement of the grievance and relevant facts,
- (B) provision of the contract violated, and
- (C) remedy sought

Section 3 Grievance Steps. The following steps shall be followed in submitting and processing a grievance, except for grievances challenging suspensions, terminations and demotions which shall start at Step 3:

Step 1 Except as stated in Section 7 below, the aggrieved employee or the Association shall present the grievance in writing and identify it as a grievance to the

immediate supervisor within twenty calendar days of its occurrence, or the employees knowledge thereof, excluding the day of the occurrence. The supervisor shall give a reply in writing within twenty calendar days of the day of presentation of the grievance, excluding the day of presentation.

- Step 2 If the grievance is not settled at Step 1 (or the grievance involves a disciplinary matter), the employee and/or the Association shall submit the grievance in writing to the Chief, on an official grievance form, within twenty calendar days following the supervisors reply, excluding the day of reply. The Chief shall issue a response in writing within twenty calendar days from the date of presentation, excluding the day of presentation, after attempting to resolve the matter.
- Step 3 If the grievance is not settled at Step 2, the employee and/or the Association shall present the grievance to the City Manager or designee within twenty calendar days from the date of response from the Chief, excluding the date of response. The City Manager or designee shall attempt to resolve the grievance and report in writing the decision within twenty calendar days from the date it is submitted to the City Manager, excluding the date of presentation. Grievances challenging suspensions, demotions and terminations shall be filed at Step 3 within twenty calendars days of notice of such action, excluding the date of the notice.
- Step 4 If the grievance is not settled in Step 3, the Association may file a written notice of intent to arbitrate the grievance with the City Manager within twenty (20) calendar days of the date the decision of the City Manager is received, not including the date of receipt. The parties shall request a list of nine arbitrators from the Employment Relations Board. If the parties cannot mutually agree to an arbitrator, they will alternately strike names and the last one will be the arbitrator.

Section 4 The arbitrator shall set a hearing date and shall render a decision within one month of the conclusion of the hearing. The power of the arbitrator shall be limited to interpreting this Agreement, determining if it has been violated, and to resolve the grievance within the terms of this Agreement. The arbitrator has no authority to add to, delete from, amend, modify any terms of this Agreement or make a finding in violation of law. The decision of the arbitrator shall be final and binding on both parties. Each party shall be responsible for costs of presenting its own case to arbitration. Costs incurred in connection with the arbitration hearing will be divided equally, provided that the losing party shall be responsible for the arbitrators fee and expenses.

Section 5 If at any step of the grievance procedure the grievant fails to comply with the time limits or procedures set forth in this Article, the grievance shall be deemed abandoned and non-arbitrable. If at any step of the grievance procedures the City fails to issue a response within the time limits set forth in this Article the grievance will be

advanced to the next step. Time limits referred to in this Article may be waived or extended by mutual Agreement in writing.

Section 6 An authorized Association representative and employee(s) who are directly involved in a particular grievance shall be allowed to attend meetings with representatives of the City without loss of regular pay. The Association shall advise the City as to which employee(s) will attend such meeting. It shall be the responsibility of each individual employee to provide advance notice of the meeting to his/her immediate supervisor.

Section 7 Grievances challenging written reprimands shall be initiated, within the time limit prescribed in Section 3, at Step 2 of this procedure. Grievances challenging suspensions, terminations, and demotions shall be initiated within the time limits prescribed in Section 3, at Step 3 of this procedure.

ARTICLE 11 - ASSIGNMENT PROMOTION AND TRANSFER

Section 1 Vacancies and special assignments and instructorships are to be filled at the sole discretion of the Chief of Police or designee. Incumbents may reapply, provided they are not seeking a continuation of the same special assignment or instructorship. Instead, they must wait out at least one (1) cycle to provide the opportunity for other bargaining unit members to fill the special assignment or instructorship. Employees wishing to be reconsidered for such a posted position may reapply. However, there shall be a process followed in filling these vacancies as follows: Employees wishing to be considered for such posted positions or special assignments to detectives, School Resource Office or the traffic unit shall have ten (10) days to submit a letter of interest, and shall submit the application materials required of all applicants and participate in a testing process established by the City. The length of assignments will be four (4) years. All applicants will continue to retain current status and seniority as an employee of the City.

Section 2 Employees may request reassignment and/or a transfer to another position in the City. Such requests for transfers shall be in writing and shall be submitted to the City Manager or designee. Such requests for transfer shall not take precedence over those who apply for the position.

Section 3 Employees who apply for transfer or promotion to another position shall be considered, if qualified, according to the City's standard criteria.

Section 4 When an employee is promoted to a classification with a higher salary range, commencing with the date of promotion that employee will receive a salary increase equal to at least five percent, so long as it does not exceed the top step of the salary range of the higher classification.

Section 5 When an employee is transferred to a classification with a lower salary range, that employee's base salary shall be either the top step of the range of the lower

classification or the employees current rate of pay, whichever is lower.

ARTICLE 12 - PROBATIONARY PERIODS

Section 1 All new hires shall be required to complete a probationary period. The probationary period for sworn employees who are not or have not been certified shall be eighteen months, for all other sworn employees shall be twelve months. For all other employees the probationary period shall be six consecutive months. Promotional appointments shall be subject to a probationary period for six consecutive months.

Section 2 Upon satisfactory completion of the probationary period, the employee shall be considered as having satisfactorily demonstrated qualifications for the position, shall gain regular status, and shall be so informed by the appropriate supervisor.

Section 3 During the initial probationary period of a new hire, an employee is not entitled to “just cause” rights and may be disciplined or discharged at any time without appeal under the grievance procedure.

Section 4 Promotions shall be in the sole discretion of the City. In the case of promotional appointments within or outside the bargaining unit, the promoted employee may, at the Citys discretion, be returned at any time during the probationary period to their previous classification without appeal rights. the Promoted employees may also elect to return to their previous classification during their probationary period and shall be returned to at classification when the first vacancy occurs. In either case, the employee will be returned with the seniority they had accrued at the time of their promotion restored for all purposes, including placement on the salary schedule.

ARTICLE 13 - SENIORITY LAYOFF AND RECALL

Section 1 Seniority shall be achieved following completion of the employees probationary period. Seniority shall be determinative with respect to selection of shifts and days off and as otherwise set forth in this Article.

Bargaining unit seniority shall be by continuous service within the bargaining unit from last date of hire. Ties in seniority shall be broken by lot. (*Vacation accrual is addressed in Article 26*)

Section 2 Seniority shall be terminated and the employment relationship will be severed if an employee quits, is terminated for just cause or “at will” during initial probation, is laid off for a period of twenty-four months, is laid off and fails to respond to written notice of recall as provided in Section 5, below, fails to report to work at the expiration of a leave of absence, is unable to return to work due to on-the-job injury or occupational illness for up to three years in accordance with ORS 659A.043 and ORS 659A.046, is promoted to a position outside of the bargaining unit and does not return to the bargaining unit as set

forth in Article 12, Section 4, or is retired.

Section 3 The City shall provide a copy of the seniority list to the Association upon request.

Section 4 If the City should reduce its work force, layoffs shall be made within each job classification on the following basis. Employees will be laid off in inverse order of seniority within their classification. For purposes of determining order of layoff within a classification, seniority shall be based on continuous service, within that classification.

Section 5 An employee notified of layoff may either accept the layoff, or at the employees option, elect to displace the least senior employee in a lower classification as long as the bumping employee has greater bargaining unit seniority as defined in Section 1 and and has previously held the job. An employee who displaces an employee in a classification with a lower salary range for the purpose of avoiding layoff shall be paid at the rate for the job. If the employees salary is above the top of the lower range, the employee will move to the top of the lower range.

Employees laid off for a period of twenty-four months or who decline or fail to respond to a recall notice lose all seniority credits and shall be removed from the recall list. Employees recalled within twenty-four months of their date of layoff shall be recalled to their prior classification based on bargaining unit seniority. Employees who have previously held a lower classification also have recall rights to that position based on bargaining unit seniority. However, if they decline recall to the lower classification they will remain on the recall list. No new employees shall be hired for a classification until employees laid off from that classification have been notified of an offer of an opportunity to return to work.

The City shall notify a laid off employee, who is still on the recall list, of a position opening within their prior classification or in a lower classification by certified letter, return receipt requested, to their address of record maintained in the employees personnel file. It shall be the employees responsibility to ensure that their current address is on file at the time the recall occurs. The employee shall have seven calendar days from receipt or ten calendar days of mailing, whichever occurs later, to notify the City in writing of their intent to return to work. If the employee fails to so respond to a recall notice to their former classification within this time period, all rights to recall shall be terminated. If an employee fails to respond to a recall notice to a lower classification, the employee will remain on the recall list.

Section 6 Alternatives To Layoff. In the event of a layoff, the City may with the agreement of the affected employee(s) attempt to mitigate the impact on staff by utilizing any of the following options to avoid layoff:

- (A) Schedule the use of compensatory time off;
- (B) Use accrued vacation time; and/or

- (C) Where permitted by the Chief of Police or designee, take a leave of absence without pay

During the three months immediately following date of layoff, seniority shall remain in effect and continue to accrue. If, however, after seeking alternatives consistent with A-C, above, the City determines the need to lay off employees continues to exist, layoff shall be implemented. The City will also continue to pay its portion of the premium for laid off employees to receive medical benefits for three months following the date of layoff. For the purpose of continued medical insurance, the month in which the layoff occurs will not count toward this three-month period. However, in order to receive continued medical benefits, the affected employee must exercise COBRA continuation rights.

ARTICLE 14 - HOURS OF WORK

Section 1 The workweek shall consist of forty hours of work in seven consecutive calendar days commencing with the first workday of the employees regular work schedule.

Section 2 Workdays shall consist of twenty-four hour periods commencing with the first workday of the employees regular work schedule.

Section 3 All patrol employees shall be granted a forty-five-minute compensated meal period during each work shift, to the extent possible and consistent with operation requirements of the Department Employees shall be subject to call during the meal period.

Section 4 All employees may be granted two paid fifteen-minute interruptible rest periods each day, to the extent possible and consistent with operating requirements of the Department.

Section 5 Each employee shall be assigned a regular work schedule, consisting of five consecutive eight hour days followed by two consecutive days off or four consecutive ten hour days followed by three consecutive days off or an alternative schedule, as agreed upon by the Association and Chief of Police. Employees will normally be given seven calendar days' advance written notice of any change in their regular work schedule. Employees whose regular work schedules are changed on less than seven calendar days' written notice will be paid their overtime rate for time worked outside their regular work schedule during any portion of the seven day period they did not receive such written notice, except in an emergency (Act of God, natural disaster, civil unrest or governmental declaration of emergency); when the need for the schedule change is unknown seven calendar days in advance of the change; and except in the case of schedule changes by mutual agreement between the City and employee. In no event will overtime pay be duplicated under any other provision of this Agreement.

Section 6 Employees who report for their regular shifts shall be compensated for a minimum of five hours of work or pay unless given advance written notice not to report.

Section 7 Officers are expected to report for duty regardless of weather conditions. Office staff who are unable to come to work due to snow or ice conditions may take time off (vacation or comp time). The employee may make other arrangements to get to work, including getting a ride from an on-duty city employee (subject to approval of that employees supervisor). The employee may also make up the time off by working an equal number of hours during the pay period, subject to the supervisors approval.

ARTICLE 15 - PATROL SHIFT BID

Section 1 Shift assignments and days off will be bid by employees in the bargaining unit based on bargaining unit seniority.

Section 2 Bidding of shift assignments and days off will take place every six months by March 1st to be effective March 24th, and by September 1st to be effective September 24th Employees may remain on a shift for up to two consecutive rotations, after which they will rotate to another shift for at least one rotation. Officers who are not released for solo work on March 24th or September 24th will not bid shifts and days off for that bid period. The City may reserve schedule slots on shift for those Officers, but may not reserve days off.

Section 3 Use of vacation and comp time during the weeks of March 15th through 24th and September 15th through 24th (bump) is expressly prohibited, except for employees serving specialty assignments who are not affected by the bump, such as Detective, SRO and Traffic Officers. However, the Chief of Police may review and grant time-off requests of an emergency nature.

ARTICLE 16 – OVERTIME

Section 1 Time and one-half the employees regular rate shall be paid for authorized work in excess of:

- (A) Eight hours per workday if on a 5-8 schedule, ten hours per workday if on a 4-10 schedule;
- (B) Forty hours in a workweek;
- (C) Work incident to a schedule change on less than seven calendar days' notice pursuant to Article 14, Section 5.

For the purpose of this Section, compensatory, holiday, vacation time and sick leave shall be considered "hours worked."

Section 2 Supervisors in charge of a shift or unit are the only employees authorized to require or authorize overtime by employees. Employees who work overtime without authorization may be subject to discipline.

Section 3 The following principles will be followed when assigning overtime work:

- Where two or more on-duty employees are known to be willing to work overtime, overtime work of the same nature (same job classification and premium pay assignment) arising on that shift will be assigned on a seniority basis, with the most senior employee being offered the overtime first and continuing in that order.
- Overtime assignments in patrol that are known less than forty-eight hours in advance will be filled by first seeking on-duty personnel and/or calling in early those employees scheduled to work the next shift. If these personnel are not available for overtime, the remaining regular employees will be offered the overtime, with the overtime being offered and filled by order of seniority.
- Except for overtime assignments for special events which are addressed below, overtime assignments that are known at least forty-eight hours in advance will be posted electronically using the Department's scheduling software. Officers who are interested in such overtime assignments are responsible for accessing the scheduling software to sign up for overtime. Overtime will be filled by order of seniority. Officers wishing to bump officers with lower seniority from an overtime assignment will notify the on-duty or on call supervisor by email and copy the bumped employee of their intention to bump an officer with lower seniority more than 96 hours prior to the overtime shift; the shift will be considered locked in 96 hours prior to the shift and the officer who took the shift will not be bumped by an officer with higher seniority. If no officer signs up for the overtime, the Department will fill the assignment using the mandatory list described below.
- Overtime assignments for special events will be posted electronically as special assignments on the Department's scheduling software for a time period designated by the City. In the event that more officers sign up for the special event than are determined necessary by the City, special events overtime will be assigned on the basis of seniority.
- If the City is unable to obtain enough volunteers to cover overtime requirements, overtime shall be assigned in inverse order of seniority on a rotated basis, provided that the overtime assignment will not cause the employee to work more than sixteen (16) hours in a twenty-four-hour period or prevent an employee from receiving at least eight hours off between work assignments. The rotated basis for assignment of mandatory overtime shall begin with the employee with the lowest seniority being assigned the mandatory overtime, followed by the second lowest seniority employee, and continuing in that inverse order through the highest seniority employee. The process will be repeated once the list is exhausted. If an employee does not fill a mandatory overtime assignment because of vacation,

illness or any other reason, that employee will remain at the top of the mandatory overtime list until he/she has filled a mandatory overtime assignment. An employee will be excused from filling a mandatory overtime assignment if the City reasonably determines it would create an undue hardship on the employee (e.g. unable to secure childcare, court conflict, less than eight hours off). If an employee volunteers to fill what would otherwise be a mandatory overtime assignment, that employee's name will be struck from the mandatory overtime list until that list rotation is exhausted.

- Once employees sign up to perform overtime work, they are obligated to complete that overtime work. Exceptions will be allowed only when the employee secures a replacement or in the event the employee is prevented from securing a replacement due to a bona-fide emergency. An employee that signs up for overtime in conjunction with a regularly scheduled shift, may not work more than sixteen (16) hours in a twenty-four (24) hour period without an eight (8) hour break before their next regularly scheduled shift.

Any overtime worked in excess of eighty (80) hours in a fiscal year will be paid at the overtime rate.

Section 2 Scheduling of compensatory time shall be approved on a seniority basis, provided that time-off requests are submitted at least forty-eight hours in advance. Any time off requests submitted less than forty-eight hours in advance will be approved on a first come, first served basis. If a supervisor receives two or more requests for time off at the same time, then resolution of the conflicting time off shall be based on seniority.

Section 3 Compensatory time requests shall not be denied unless the granting of the request would cause the department to fall below established minimums. The City reserves the right to change established minimums at any time. Scheduled compensatory time may be adjusted to allow the Department to meet emergency situations (Acts of God, natural disasters, civil unrest or governmental declaration of emergency). However, where such changes are initiated, the City will explore other alternatives where non-recoverable funds are involved.

 - For vacation requests made less than fourteen (14) days in advance of the requested vacation day, the City may: (1) approve the request outright; (2) explore available options with the employee, which could allow the City to approve the request (i.e., ensuring another employee has agreed to cover the vacant shift); or (3) retain the right to deny the request when an operation need exists (such denial may not be arbitrary).
- (B) Priority Vacation Sign-Ups.

Effective for vacations starting March 24, 2020, the City will make available a priority vacation sign-up sheet twice a year. For vacations occurring March 24th through September 23rd, the sign-up sheet will be posted March 1st to March 15th. For vacations occurring September 24th through March 23rd, the sign-up sheet will be posted September 1st to September 15th.

Any conflicts in requested vacation time will be resolved by granting the requested time off to the employee with the most seniority.

Requests for vacations occurring from March 24th through September 23rd will be frozen on March 15th. Requests for vacations occurring from September 24th through March 23rd will be frozen on September 15th.

Vacation requests submitted less than fourteen (14) calendar days prior to the requested vacation day shall be approved on a first come, first served basis, subject to operational need. The denial may not be arbitrary.

ARTICLE 27 - SICK LEAVE

Section 1 All employees shall earn sick leave at the rate of eight hours for each calendar month of service.

Section 2 Employees are eligible to utilize accrued sick leave for the following reasons:

- (A) For an employee's mental or physical illness, injury or health condition, need for medical diagnosis, care or treatment of a mental or physical illness, injury or health condition or need for preventative medical care;
- (B) For care of an employee's family member with a mental or physical illness, injury or health condition, care of a family member who needs medical diagnosis, care, or treatment of a mental or physical illness, injury or health condition or care of a family member who needs preventive medical care;
- (C) When the employee is unable to perform their duties due to personal off-the-job illness or injury;

- (D) When a public health authority or health care provider has determined that the presence of the employee in the community would jeopardize the health of others;
- (E) For personal medical and dental appointments;
- (F) When an employee is unable to perform his/her work duties due to an on-the-job injury or occupational illness, as set forth in Section 7 below;
- (G) For a public health emergency as defined in ORS 653.616(6) and
- (H) For other leaves in which use of accrued sick leave is mandated by federal or state law, to include Oregon's Sick Time Act.

Section 3 Sick leave shall be charged for the time an employee is absent from his/her regularly scheduled work shift. If an employee takes more than three consecutive scheduled workdays of sick time for a purpose described in this Article, the City may require the employee to provide verification from a health care provider of the need for the sick time; no medical diagnostic information is required of the employee.

Section 4 Abuse of sick leave is cause for disciplinary action. The City may require an employee to submit written certification from a health care provider or other acceptable verification of eligibility to receive sick leave benefits for absences not covered by state or federal family medical leave laws, whenever the City has reasonable cause to believe that a misuse or abuse of sick leave may be occurring. "Reasonable cause" shall include:

- (A) A pattern of usage in conjunction with days off, vacation, holidays or compensatory time;
- (B) A pattern of usage on days when a spouse or significant other is off work;
- (C) A pattern of calling in sick on a previously denied day off;
- (D) The existence of indicator(s) that the absence was motivated by a desire to avoid undesirable working assignments, deadlines, etc.;
- (E) Statements or actions that indicate an intent to deliberately mislead or misrepresent the reasons for reported absence; or
- (F) Physical observations (return to work with signs of outdoor recreation, such as sun burns, etc.) and/or other information that provides a factual basis for the suspicion that the employee was not absent for reasons that qualify for sick leave usage under this Article.

Section 5 An employees supervisor shall have the authority to send an employee

home on sick leave if the employee is actually sick and either cannot perform duties accurately or may jeopardize or endanger the health of others.

Section 6 Employees are expected to inform their supervisor of any anticipated medical treatment so that the Department may plan for the employees' absence. If the need to use sick time is unforeseeable, the employee shall provide notice to the City as soon as practicable.

Section 7 When an employee is absent from work because of an on-the-job injury or occupational illness, employees will be compensated as follows:

- (A) For the first one hundred eighty (180) consecutive calendar days from the date immediately following a compensable injury or occupational illness, the City shall pay the difference between workers' compensation time loss benefits and the employee's regular straight-time net wages. This 180-day period begins on the original date of injury.
- (B) After one hundred eighty (180) consecutive calendar days immediately following a compensable injury or occupational illness, the employee shall use available sick leave to make up the difference between workers' compensation time loss benefits and his/her regular straight-time net wages. Comp time, vacation and holiday banks may be utilized when sick leave has been exhausted. Employees may designate the order in which their other leave banks will be used. In the event there is no designation, compensatory leave will be used first, followed by holiday pay, then vacation pay.
- (C) During the period of such absences, the City will deduct the employee's share of the insurance premium through payroll deduction. In the event the employee's paid leave banks are insufficient to cover the cost of the employee's share of the premium, the employee will be responsible for remitting such payment directly to the City by no later than the fifteenth of the month in which payment is due.

In the event an employee's sick leave accruals are not charged for an injury or illness that is later determined to be non-compensable, the City can deduct the amount of such overpayment from the employee's sick leave account. In the event there is insufficient sick leave accrual to cover the overpayment, the City may reduce comp time, followed by holiday pay, then vacation pay to cover the overpayment. In the event the overpayment cannot be recouped from the employee's sick leave or other paid leave banks, the City can automatically deduct any overpayment in full from the employee's next paycheck or subsequent paychecks, if there is not a sufficient amount in the next paycheck to cover the overpayment.

Section 8 The City may require a health care providers approval of an employee to return to work from OFLA and/or FMLA leave. The City may also require a medical release or

medical verification of an employee's work-related limitations, including responses to medical questionnaires, whenever it has a good faith concern, consistent with the ADA, about whether an employee's physical or mental condition is affecting his/her ability to safely perform essential job duties.

Section 9 Unused sick leave shall not be paid to any employee upon termination, whether voluntarily or involuntarily, but shall be reported to PERS as prescribed in ORS 238.350.

ARTICLE 28 - OTHER LEAVES

Section 1 Bereavement Leave. Employees may be allowed up to three work days of paid bereavement leave, or five workdays where out-of-state travel is required for a death in the employees immediate family. Longer paid or unpaid bereavement leave may be approved by the City Manager.

Bereavement leave in excess of the above limits, approved by the Chief of Police, will be deducted from accrued sick leave, or in the absence of accrued sick leave, from the employees accrued compensatory time, then vacation time, or may be taken as leave without pay if all paid leave banks are depleted.

Employees may also use up to eighty hours of their sick leave for funeral or bereavement leave for the death of an immediate family member.

For the purpose of this Article, an "immediate family member" includes: an OFLA eligible employee's spouse; children (biological, adoptive, foster or stepchild) Oregon-registered same gender domestic partner; biological, adoptive, or foster stepchild; the domestic partner's child or parent; parent-in-law; biological, adoptive or foster parent; brother; sister; brother-in-law; sister-in-law; grandparent; grandchild; a person with whom the employee was or is in a relationship of in loco parentis; and/or any relative or significant other residing in the employee's household. Bereavement granted for such leave will run concurrently with bereavement leave under OFLA, to the extent permitted by law.

Employees may request vacation or compensatory time off to attend the funeral or grieve the death of a person not listed above. All such requests are subject to approval at the discretion of the Chief of Police and are not grievable.

There shall be no compensation for unused bereavement leave at the time of termination of employment.

Section 2 Military Leave. Military leave shall be granted in accordance with state and federal law.

Section 3 Jury/Witness Leave. If an employee is called for jury duty or is subpoenaed as a witness in a matter that is not personal to the employee, the employee shall be

granted leave with pay. Compensation received (except travel reimbursement) shall be remitted to the City. Upon being excused from such duty for a portion of any day, the employee shall immediately contact their supervisor, who at the supervisors discretion may assign the employee for the remainder of their regular working day.

Section 4 Personal Leave. In the sole discretion of the City, an employee may be granted leave of absence without pay not to exceed one hundred eighty calendar days, if the City finds there is reasonable justification to grant such leave and if it does not unduly interfere with the normal operations of the Police Department.

The City may interrupt or terminate such leave by twenty days' written notice by Certified Mail to the address given by the employee on their written application for such leave to the City Manager. After actually being made aware that the City desires their return to work, the employee shall respond within five days or be subject to disciplinary action, including termination. Such leave shall not be approved for the purpose of accepting employment outside the service of the City. Employees on leave of absence without pay shall not accrue during the absence and will be required to apply for COBRA continuation rights and reimburse the City for continued insurance premiums. If the City, in its sole judgment, does not require an employee to reimburse the City for insurance premiums, such action will not be deemed a binding precedent on the City, nor will the Association maintain that such action establishes a past practice. The leave shall not prejudice an employees seniority accrued to the date of leave.

Section 5 Family Medical Leave. Consistent with City policy and applicable law, an employee may be eligible for State or Federal Family Medical Leave. Please refer to the City's Leave of Absence policy for a comprehensive description of employee rights under State and Federal Medical Leave laws.

- (A) Unless otherwise provided in this Agreement, leaves under this Article are unpaid. However, employees on FMLA and OFLA leave shall be entitled to use accrued vacation, sick leave, in lieu of holiday leave, and compensatory leave, but shall not be required to do so. Employees shall be entitled to designate the order in which accrued leave banks are used. Employees on domestic violence, military, crime victims and other leaves are entitled and required to use their accrued leave banks in accordance with the City's Leave of Absence policy. Leave shall not continue to accrue for any period in which the employee is on unpaid leave status. If an employees probationary period is interrupted by a leave under this Article, it shall resume upon the employees return to work.

For employees on a family medical leave or parental leave who are otherwise qualified for employee benefits, the City will continue employee benefits, including group medical insurance, for the period of leave required by law, provided the employee pays his/her portion of the premiums. Employees will be asked to authorize payroll deductions for any employee contributions for benefits while they are on leave. In the event an employee's

paid leave is depleted, the employee is responsible for remitting payment for his/her portion of the premium directly to the City.

APPENDIX B – DRUG AND ALCOHOL POLICY

This Appendix is hereby incorporated into the Agreement between the City of Sandy and the Sandy Police Association which becomes effective on July 1, 2019.

The City of Sandy and the Sandy Police Association recognize a responsibility to the citizens to maintain a safe and productive working environment. Consistent with this commitment, the City and the Association have agreed to this Drug and Alcohol Policy. This policy will supersede and replace the current Department Policy 1006 – Drug and Alcohol Free Workplace.

PURPOSE:

It is the mission of the Sandy Police Department to enhance public safety through the use of a reasonable employee drug testing program and the enforcement of rules prohibiting the consumption of alcohol or use of drugs which interfere with this mission.

To ensure the integrity of the City's law enforcement system and preserve public trust and confidence in an alcohol/drug free service, the City has adopted the following rules and procedures:

PROHIBITED CONDUCT:

The following conduct is strictly prohibited:

1. Buying, selling, consuming, distributing or possessing unlawful drugs or alcohol during working hours, including rest and meal periods, except as necessary in the performance of duties (confiscated evidence, approved undercover operations, etc.)
2. Reporting for work or returning to duty under the influence of alcohol or drugs, except as necessary in the performance of an official special assignment or if directed otherwise. Employees who consume alcohol as part of a special assignment shall not do so to the extent of impairing on-duty performance. For the purpose of this Policy, an employee is considered to be "under the influence" of drugs, if the employee tests positive according to the thresholds set forth in the Federal Mandatory Guidelines for Federal Workplace Drug Testing for having such substances present in his/her body. An employee will be considered to be "under the influence of alcohol" if his/her blood or breath tests .02% BAC or higher.

To ensure compliance with this Policy and safety standards, employees who have consumed alcoholic beverages within four (4) hours of responding to the callback or, for any reason, believe they are impaired by

alcohol are required to notify the supervisor upon being contacted for callback.

3. Failing to promptly report arrests, convictions and/or plea-bargains for an alcohol or drug-related criminal offense to the Chief or his designee, irrespective of the jurisdiction where such action was taken.
4. Failing to comply with City directives regarding enforcement of this Policy, including but not limited to refusing to promptly submit to required testing; giving false, diluted or altered samples; obstructing the testing process; failing to comply with rehabilitation conditions imposed by the City or rehabilitation counselors pursuant to this Policy.
5. Failure to disclose use of over-the-counter or prescribed medication containing controlled substance, as required, below.

For the purpose of this Policy, “drugs” include, but is not limited to the following controlled substances: opiates, synthetic opioids, cocaine, marijuana (THC), phencyclidine (PCP), amphetamines/ methamphetamines and barbiturates. However, “drugs” does not include prescription and over-the-counter medications that are lawfully prescribed and used in a manner consistent with a physician’s instructions and/or medication warnings.

Employees who engage in any prohibited conduct will be subject to discipline, including discharge.

MARIJUANA

In addition to the above, employees must comply at all times with all federal and state statutes and regulations regarding the illegal use of drugs. It is important to note that marijuana is an illegal drug under the federal Controlled Substances Act, which means that it has no acceptable medical or recreational use under federal law. Therefore, any on or off duty use of marijuana which is inconsistent with the “prohibited conduct” listed above will be considered a violation of this policy, even if an employee has a prescription for the use of marijuana under the Oregon Medical Marijuana Act or is using marijuana in compliance with state law. However, employees who are using marijuana in compliance with a medical marijuana card will not automatically be subject to termination of employment. Instead, such employees are required to disclose any use which would constitute “prohibited conduct.” If the City determines that the employee using medical marijuana is disabled under applicable disability discrimination statutes, the employee will be asked to enter into an interactive discussion with designated representative(s) to determine whether a reasonable accommodation can be made that would allow the employee to continue to be employed without violating standards.

DISCLOSURE OF MEDICATIONS:

Employees are responsible for consulting with their physicians and carefully reviewing medication warnings, including any warnings pertinent to the effects of use of a combination of medications. Employees who are using over-the-counter or prescribed medications under circumstances where the employee knows or should know that use of the medication will produce side effects that will affect their ability to safely perform all essential job duties must notify the Chief of Police or designee of the substance taken and its side effects before reporting for work. Medical verification of ability to safely perform job duties may be required before the employee is allowed to continue his/her job assignment. Employees are eligible to utilize sick leave benefits pending receipt of acceptable verification.

Although the use of prescribed and over-the-counter medication as part of a medical treatment program is not grounds for disciplinary action, failure to fully disclose the use of substances which could reasonably impair the safe performance of essential job duties, illegally obtaining the substance or use which is inconsistent with prescriptions or labels will subject an employee to disciplinary action.

EMPLOYEE TESTING:

Employees will be required to undergo drug and/or alcohol testing as a condition of continued employment in order to ascertain prohibited drug use, as provided below:

1. Reasonable Suspicion

The Chief of Police, designee or a supervisor may order an employee to immediately submit to a urinalysis test for drugs and/or a breathalyzer test for alcohol whenever the City has reasonable suspicion to believe that the employee has violated the provisions of this Policy concerning reporting to work or being at work “under the influence” of drugs or alcohol.

“Reasonable suspicion” shall be defined as suspicion based on articulated observations concerning the appearance, unusual behavior, speech, breath odor, body symptoms or other reliable indicators that would cause a reasonable person to believe that an employee has consumed drugs and/or alcohol in violation of this Policy.

2. Rehabilitation Treatment

Where testing is required pursuant to a Rehabilitation and Return to Work Agreement imposed by the City or an employee’s rehabilitation counselors, individualized suspicion-less testing may be required as outlined in that Agreement.

Urinalysis testing will be conducted for all types of drug testing. Breathalyzer testing will be conducted for all types of alcohol testing.

TESTING PROCEDURES:

The testing will be conducted at a laboratory certified by the federal DOT and shall be conducted in accordance with the standards for procedural safeguards and testing integrity disseminated by the NIDA. All drug tests will be conducted through collection of a split sample. All positive drug tests will be confirmed by a second cross confirmatory test from the same sample using GCMS testing methodology and reviewed by a Medical Review Officer before the test result is reported as positive. The City shall pay for such testing.

The other sample shall remain at the facility in frozen storage for a minimum of ninety days from the date the test was conducted. This sample shall be made available to the employee or his attorney, should the original sample result in a legal dispute or the chain of custody be broken.

Whenever there is a reasonable suspicion to believe that the employee may have altered or substituted the specimen to be provided or the initial test was not determinative, a second specimen may be obtained immediately, using testing procedures deemed appropriate by the testing laboratory personnel.

If the confirmatory test is positive for the presence of a controlled substance, the employee will have the option of submitting the split untested sample to a qualified and certified laboratory of the employee's own choosing. The employee will pay for these types of tests.

All records pertaining to City required drug and alcohol tests, as well as compliance with rehabilitation terms shall remain confidential, and shall not be released, except on a need to know basis, in accordance with applicable law. All documents pertaining to testing and test results will be maintained in employee medical, not personnel, files.

CONSEQUENCES OF VIOLATIONS:

1. EMPLOYEES WHO REPORT DEPENDENCIES AND SEEK ASSISTANCE *BEFORE* COMMITTING A POLICY VIOLATION – REHABILITATION.

The City encourages employees who have drug and/or alcohol dependencies or think they may have such dependencies to seek assistance voluntarily. When an employee voluntarily reports a drug or alcohol dependency to the Chief of Police or designee and seeks assistance before violating this Policy, that employee will be placed on a leave of absence or adjusted working hours to allow for in-patient or out-patient rehabilitation treatment as recommended by a Substance Abuse Professional (SAP).

The employee will not be permitted to work until such time as a Substance Abuse Professional agrees he/she:

- a. Has been evaluated by a Substance Abuse Professional (SAP); and
- b. If recommended by the SAP, is complying with all-rehabilitation/after-care prescribed; and
- c. Has a verified negative drug or alcohol test (as applicable).

In order to return to work for the City, an employee seeking assistance must agree to all treatment, rehabilitation, after-care and follow-up testing as set forth in a written Rehabilitation and Return to Work Agreement required by the City. Such agreements will be effective for no longer than five (5) years from the date signed. Any employee who violates the terms of the Agreement is subject to immediate termination.

During the time an employee is off work undergoing rehabilitation he/she may draw their unused, accumulated sick leave, vacation pay, holiday pay or compensatory time. Also, employees who are receiving health insurance coverage will be eligible for continuation of health insurance benefits through the end of the month in which his/her paid leave is depleted or for the period required under FMLA and/or OFLA, whichever is greater.

It is understood and agreed that nothing in this Policy prohibits the City from disciplining or discharging an employee for engaging in illegal conduct, irrespective of when that conduct is discovered.

2. EMPLOYEES WHO REPORT DEPENDENCIES AND SEEK TREATMENT *AFTER* COMMITTING A POLICY VIOLATION.

Employees who notify their supervisor, the Chief or the Human Resources Director of drug or alcohol dependencies *after* violating this Policy are subject to discharge, irrespective of such dependencies.

The City may however, at its discretion, allow an employee to undergo evaluation and rehabilitation in lieu of discipline and discharge, provided the employee promptly complies with the terms and conditions set forth in Section 1 – Consequences of Violations, above. The City will consider the following factors in exercising its discretion: the employee's length of service; the employee's work record, in particular, whether the employee has committed a previous alcohol or drug policy infraction; the consequences of the violation; any other circumstances offered by the employee that mitigate against discharge.

IT IS UNDERSTOOD AND AGREED THAT THE REFERENCES TO DISCIPLINE AND DISCHARGE SET FORTH IN THIS POLICY AND THE REHABILITATION AND RETURN TO WORK AGREEMENT ARE NOT INTENDED TO SUPERSEDE "JUST CAUSE" OBLIGATIONS.
